There is an ART to giving. Thank you for your generosity.

SIERRA ARTS FOUNDATION

is Nevada's premier arts organization and resource center. Since 1971 it has been the mission of Sierra Arts Foundation to unify, inspire, elevate, and give voice to the arts and humanities in Northern Nevada through community-driven programs, education, artist services, and advocacy.

For more than 50 years Sierra Arts Foundation has been able to realize its vision for the future of arts and culture thanks to the unwavering dedication of the Northern Nevada business community. Today, corporate support helps Sierra Arts Foundation fulfill its mission by funding its operating budget, education programs, monthly exhibition, hands on art engagements and a variety of community wide programming which primarily serves underserved youth, at risk adolescents and older adults.
